OLIVER + BATLLE

Smart Solutions for the Coatings & Chemical Industries

QUALITY - ENVIRONMENT – OCCUPATIONAL HEALTH AND SAFETY POLICY

OLIVER Y BATLLE S.A.U., dedicated to the **design, manufacture, assembly, installation, commercialization and technical service of machinery and industrial solutions for the chemical industry in general and the paint and related industries in particular**, establishes this Policy as a reference framework for its Integrated Management System (IMS). In accordance with **ISO 9001:2015**, **ISO 14001:2015** (+Amd1:2024) and **ISO 45001:2018** (+Amd1:2024), we are committed to applying the following principles:

Quality, Environment and Occupational Health and Safety Principles

- Ensure that our products and services meet customer, regulatory and other applicable requirements.
- Orient our actions towards customer satisfaction and continuous improvement of the organisation's performance.
- Ensure effective and controlled design, manufacturing, installation and service processes.
- Ensure the competence of staff and the quality of supplies from our suppliers.
- Comply with current environmental legislation and other requirements to which the organisation subscribes.
- Protect the environment through pollution prevention and responsible management of resources, waste and emissions.
- Continuously improve our environmental performance by integrating sustainability criteria into our processes, decisions and product design, considering their life cycle to reduce the environmental impacts associated with their use and promote their durability, maintainability, ease of disassembly and recyclability.
- Provide safe and healthy working conditions through the identification, assessment and effective control of occupational hazards.
- Comply with occupational health and safety regulations and other applicable OHS requirements.
- Eliminate hazards and reduce risks by promoting a culture based on prevention and safe behaviour.
- Ensure the consultation and active participation of workers at all levels.

Management Principles

- Integrate Quality, Environment and OHS in the strategic and operational planning of the company.
- Establish and periodically review objectives consistent with this Policy and ISO standards.
- Provide the necessary resources to ensure the effectiveness and improvement of the Integrated Management System.
- Maintain channels of communication, consultation and coordination with employees, customers, suppliers and other stakeholders.
- Disseminate this Policy to ensure that it is known, understood and applied throughout the organisation.

Management Commitment

The Management of Oliver y Batlle, S.A.U. assumes responsibility for leading, communicating, applying and regularly reviewing this Policy to ensure its validity, its adaptation to the context of the organisation and its alignment with the commitments acquired in the areas of Quality, the Environment and Occupational Health and Safety.

This policy was approved by the **Management of Oliver y Batlle, S.A.U.** on 7 October 2026.
